The POWEF 1956-5T

Dedication

We dedicate the Tower to the new Victoria College, the result of the union of two institutions, each with a splendid history and tradition, in this the year of amalgamation. We realize this year forms the foundation for a new system of higher education which includes teacher training as well as the traditional arts and sciences. We hope this year of birth has proven successful in paving the way for progress.

The sketches on the divider pages of this year's Tower are drawn by the Tower staff from pieces of driftwood found along the shore-line of Vancouver Island.

VICTORIA COLLEGE LIBRARY VICTORIA, B. C.

Principal's Message

The 1956 - 1957 session, now almost completed, is the first year under the new Victoria College Act, which added Teacher Education to the College programme. The campus has enjoyed a feeling of unity—there has been one teaching faculty, one student body

and one Students' Council. United efforts, which have been both inspirational and challenging, have resulted in a fine new spirit, evident in sports triumphs, musical and dramatic successes and social functions. For many of us the two most tense and memorable happenings of the year were the overtime moments during which the Vikings became Provincial Champions, and the climax of "The Crucible", when the screaming girls saw witches.

To balance such extra-curricular activity, concentrated studies have led most students to a richer acquaintance with the Arts, Letters and Sciences, which develop the intelligence, enrich the mind and refine the taste. Thinking, solving, reading and writing, all of which involve continuous learning, will have prepared graduates to understand, assist and communicate with their fellow men.

It has been a good year of living and working together.

As the end of the year approaches, my colleagues of the College Faculty join me in wishing you satisfaction and happiness in your continued studies and in all that you undertake in life.

---W. HARRY HICKMAN.

Retiring President's Message

Now that the College year is drawing to a close, I would like to thank all the students who have made it so successful by participating so fully in extra-curricular activities. In particular, I would like to congratulate you for your keen interest in student government,

which was shown by the large turnouts of voters at all elections this year. Athletic teams, especially basketball and rugby, were of high calibre, and many people participated in the so-called minor sports; and club membership reached an all-time high.

After having attended Victoria College this year, everyone realizes that campus life provides opportunities for social and academic development that do not exist elsewhere. All of us can profit from what we learn here in our future life whether we continue our studies, or now begin our life's work. Those returning to school next year have been given an excellent background for future courses; those entering vocation will have an advantage in that they have been trained to think and act towards others as adults.

In closing, let me express my gratitude to the members of the students' council, who have worked so willingly, and let me wish next year's council the greatest success in all their undertakings.

-STEWART SMITH.

STUDENTS' COUNCIL

During this, the first year of the amalgamatian of Victoria Callege and the Provincial Narmal School, the Students' Cauncil has successfully maintained unity and satisfied all tastes and apinions. Many problems evolving from the union of the two schools were competently solved by the conscientious members. This year's major projects included a successful Frash Week, with two dances, and enjayable Christmas dance, and two Orphanage parties.

Mrs. O. P. Nable and Mr. H. Farquhar, as faculty spansars, gave much helpful advice at the regular Wednesday naan meetings. President far the first half af the year, Lance Finch, was extremely able, and added much to the meetings and the wark of the Council with his enthusiasm and ariginality. After Christmas, Stewart Smith carried on this good work as President. Capable Barbara Salonen, as secretary, prepared the minutes and laaked after carrespondence. Dave Stack, treasurer, kept on eye on the financial side of affairs and managed the budget extremely well. A new office this year, that of vice-president, was well-perfarmed by Daug Stewart.

Harlene Christensen, head af the Literary and Scientific Department, carried aut the difficult jab af ca-ardinating clubs and representing them an the Cauncil. Marlene Hunt, and later Myra Jahnsan, edited the "Martlet" which publicised many campus events, while Dave Andersan, as Directar af Publications and Publicity, edited the "Spectator" and arganized the useful Paster Cammittee.

Sue Burnett, capable Wamen's Sparts Representative, also acted as Sacial Canvenar, a pasitian invalving the ca-ardination of all dances and the planning of several of them. Men's Sparts were well-represented by Stew Smith and Tam English, who taak over when Stew became president.

W.U.G.S. president, Myrna Hunter, and M.U.G.S. presidents, Jahn Sparks and Fred Greene, ran their respective clubs and taak active parts in the Cauncil's work.

Campus Queen

The 1957 Queen of Hearts is a blonde beauty, Frances Rigby. Her lovely court senior princess, Julie Block and junior princess Joanne Rawlings were chosen by student ballot from a bevy of college co-eds.

Fran is not only endowed with beauty for she has also talent—having had eight years dancing training and personality and energy as revealed by her participation on the W.U.G.S. Executive, Booster, Pre-Med, and Jive Clubs.

Fran is leaving us next year for the Faculty of Nursing at U.B.C. where she ultimately hopes to receive her Bachelor of Science Degree in Nursing.

We all know that Fran will be a great success in any endeavour she undertakes. Good luck Frances!

W.U.G.S.

The Wugs, besides looking after the interests of the women at College, strive to promote fun and friendship. Their effarts began this year with the annual Freshette Tea at the end of Frosh Week, where the Freshettes were entertained by beautiful models in up-to-date College fashions. The models were the Sophs, of course! Coffee parties were held at the beginning of the term to help the new girls get acquainted.

The Wugs undertaok the sale of College sweaters, pins, scarves and crests. They also provided a hilarious skit, "Day on T.V.", for the Mugs Dance. In the holidays, they rewarded themselves with the "Christmas Cackle," where the lucky Sophs were rayally entertained by the Freshettes. The Wugs have had speakers on hairdressing, fashions, nursing, home economics and vacations for girls, all of which, were very enjoyable.

On February 1, at 6:00 a.m., the fateful hour arrived. Twirp season began and the girls had a glorious, expensive week which terminated in catching a boy for the "Snag and Drag" Co-ed Dance, held on Feb. 8, at the Crystal Gardens. The Mugs, dressed as girls? did a riotous "take-off" on Twirp Seasan during the intermission. Of course, the big moment of the night was the crowning of the Campus Queen, Frances Rigby, and her princesses, Julie Block and Joanne Rawlings. The winners of the cup for the Lovingest Couple were Sally Gardom and Norm Jones. Diana Stavrakov received the Caf. Queen award and Buddy Rutherford was crowned, "International Gaod Head."

At the first business meeting officers were elected to assist the president, Myrna Hunter. They were: Margot Thompsan, vice-president; Barbara Jenkins, secretary; Lorna Mulholland, treasurer, and Joanne Dawson, programme convenor. The girls were lucky to have a very interesting and informative spansor this year, Miss Anne Gorham.

MEN'S UNDERGRADUATE SOCIETY

The 1956-57 year has been an eventful one for the M.U.G.S., as a result of the reorganization of the old Normal School and College. This union greatly increased the amount of work involved in organization. The M.U.G.S. suffered a severe loss at Christmas with the resignation of John Sparks. John had done a wonderful job in his capacity as M.U.G.S. president.

The M.U.G.S. first event of the Academic year was the traditional smoker. Judging from the large turn out and the many favourable comments, the smoker was a complete success. On the 24th of November the annual M.U.G.S. Balle was held in the Flamingo Room of the Crystal Gardens. The tremendous turnout and the excellent skit the Wugs put on for entertainment made the dance a smashing success.

In the spring term the executive was instrumental in the

In the spring term the executive was instrumental in the organization and success of the Campus Queen Contest. The contest received very enthusiastic support and eleven gorgeous candidates entered the contest. At the W.U.G.S. Co-ed the executive organized the crowning ceremony of the Campus Queen. Other members staged a hilarious skit during the intermission.

During the remaining part of the term the executive made a preliminary draft of a written constitution in an effort to achieve a better organization.

The executive this year was:
Fred Green—President.
Buddy Rutherford—Vice-president.
Ray Bryant—Treasurer.
Lance Rossington—Secretary.
Ron MacKenzie—Co-ordinator of Activities.
Hamish Redford—1st Year Arts rep.
Don Brosnick—1st Year Education rep.

M.U.G.S. EXECUTIVE Left to right—Lance Rossington, Hamish Redford, Fred Green, Bud Rutherford, Ray Bryant, Don Bosnich.

MARTLET EXECUTIVE Left to right—Jacqueline Butt, Barb Jenkins, Sue Butt, Anne Lucas, Myra Johnson.

MARTLET

Again this year the Martlet has been a controversial subject around the Campus. A small but hard-working staff has tried to give the students a paper neither too "gossipy" nar too "high-brow". Whether they succeeded or not is debatable.

During the year, however, several important subjects were covered such as the phenomenal success of the boys basketball team and the Campus Queen Contest.

Editor for the first term was Marlene Hunt while Myra Johnson took over the job for the second term. Barbara Jenkins was Assistant Editor and Ann Lucas handled the difficult job of Advertising Manager. Sue Butt and Swen Granewall covered the Sports around College. Completing the Editorial staff was June Andress, Dawn Shenton and Eberhard Doehnel.

Lack of funds was the big problem plaguing the Editors for most of the year, in spite of a generous grant from the Students' Council. With an eye to solving this problem a meeting was held towards the end of the year where the problem was discussed and methods for solving it adopted. It is hoped that these methods will help next year's Martlet be a truly big success.

As usual at the end of the year the Martlet Trophy was presented at the Awards Banquet to a student outstanding in Athletic and Sportsmanlike qualities, this year the award was presented to Tom English and a special award was given to Donna Finch for her contribution to College life.

T.N.R.

The Tuesday Naon Record Club has had a successful year under the sponsorship of Mr. Spratt. The exeuctive consisted of Charlatte Kay, president; Barbara Jenkins, vice-president; June Andress, secretary-treasurer; and a programme committee headed by Bernard Rain and assisted by Dave Gilbart and Graham Elliston.

The programmes have been many and varied and were enjoyed by the enthusiastic listeners. Miss Lorna Langley presented an excellent harp recital in October and Miss Marjorie Vaughan and Mrs. Marjory Sturgeon presented an enjoyable oratorio concert in November. In joint sponsorship with the Faculty, the T.N.R. presented Mr. Robin Wood in a piano recital in January. He played to a capacity audience which thrilled to his brilliant performance.

Student performers have been Joanne Dawson and Pat Chatwin in a duo-piano recital Bernard Rain and David Marr in a joint violin and vocal recital and the College String Quartet directed by Dr. Tracy

Quartet directed by Dr. Tracy.

The executive of the T.N.R. helped to arrange the College's Music evening held on March 16 and would at this time like to thank those students who donated their time and talents to make that evening a success.

The T.N.R. paper finished a successful year in a prominent pasition. As a result of a lack of articles the T.N.R. was forced to close in November. Later, as a result of the closure of the Spectator and the difficulties of the Martlet, the T.N.R. was reinstated to allow clubs to preview their meetings. It was edited by Barb Jenkins.

PLAYER'S CLUB

The Salem witch-hunt of 1692 was the gripping theme of this year's Player's Club presentation, **The Crucible**, by Arthur Miller. This Victoria Premiere performance apened on February 26th, and continued to play to highly enthusiastic audiences for five nights.

The success of the play was, in large part, due to a capable and hard-warking director, Mrs. Flara Nichalsan, and a talented cast of twenty which gave a great deal of time and effort to perfecting an extremely difficult play.

The leading rales were taken by John Ashwarth, Margat Thampson, Barbara Geddes, David Alian, Jahn Gilliland, Marian Petter, and Bill Walters, each of whom was excellent. The minar characters, taa, played their comparatively small rales with maving sincerity.

Much of the credit far the success of the play must go to the executive and technical staff of the club, which include: George Cummings, president; Margat Thampson, vice-president; Barbara Geddes, secretary-treasurer; Tany Churchill, business manager and assistant director, and Narm Janes, technical director. In the technical department, Bill McCall in charge of sound, and Ran Paver of lighting, with their crews did an excellent job. Decar and props were by Diana Stravrakav. Myra Jahnson took charge of the castumes, which were designed by Sharan Plaws.

This is the third year that the Player's Club has performed, under the direction of Mrs. Nichalson, through the medium of "Theatre in the Round"; and the fact that this year's effort has maintained the high level of performance established, speaks highly for the director, the cast, the crew, and the support of the College as a whole.

RADIO CLUB

CJVC—the voice of Victoria Callege. Those ore the coll letters of the campus radio station with a shart but well productive history.

It was September, 1956, when two enthusiastic arganizers, Bab Genn and Alan Newberry canceived the idea of a Radia Club. In a few manths the members had a small station aperating in the main building. By the end of the year the feeling arase that a larger station should be built. Narm Janes fulfilled the bill by giving up all his spare summer time to build the present studios. A very commendable effort indeed.

Thus at the beginning of this year the radio club was in rapid movement under President, Jahn Sparks; News Director, Jahn Webb; Bill Ozard, Programme Director; Narm Janes, Engineer and Special Events Director, and Tony Churchill, Special Programmes Director.

After a Christmas shakedown, the club rearganized the broadcasting schedule to make a three hour, five doy week

including the fallowing pragrammes:

Al Smith and his "Paps Shaw"; Jahn Sparks, entertaining with, "Faur Freshman Fans"; Bill McCall and his twa hits, "Falk Favaurites" and the "Ash Can"; On next was, "Music far Relaxing"—Bruce Yaung—David Allen; Fashian, wamen, music, with Jill Diespecker and Myra Jahnsan an the "W.U.G.S. Haur"; A chonge of pace, and it's Brian Hurst with his "Classical Haur"; News at 10 with Mike Kolb and Jahn Webb; "Pragressive Jazz" played to yau by Bud Rutherfard; Accurate weather fram Vic. Callege instruments by Tany Churchill; John Gilliland's cancise weekly news cammentary; Lawrence Kitching and his "Language Pragramme"; Mall Patts' "Hit Parade," o twice weekly feature.

Behind the programmes are the ods and special mention

Fram the abave it is abvious that the Radia Club is mast octive and well arganized club on the campus.

JIVE CLUB

Although this was the Jive Club's first year on the campus it praved to be very successful. The total membership of the club was two hundred and farty with an average weekly attendance of one hundred and seventy-five.

The main purpose of the Jive Club was to teach as many students as were interested, haw to jive. This was capably dane by members of the club who had knowledge of the various basic steps. In daing this the club taught over one hundred students how to jive confidently.

A band was braught in far ane jive sessian and as it praved very successful it was brought back another week. The Jive Club alsa spansared the first callege dance of the new year. In the caming years it laaks as though the Jive Club might be changed to a callege dance club with qualified instructors as interest in dancing itself is very high.

The executive of the 1956-57 Jive Club was:

Alfred Pettersen-President. Mal Patts-Vice-president. Richard Yaung—Treasurer. Caral Nauton—Secretary. Caral Salanen—Executive. Wendy Harris-Executive. Hamish Redfard-Executive.

Secretary—Bud Rutherford. Treasurer-Darathy Hackman. First Yeor Rep.—Brian Hurst. Spansar-Mr. Burchill.

Led by its hard warking executive, the Jazz Saciety has really expanded this year. The club has added to its bi-manthly recard sessians a few live jazz cancerts. These cancerts were held in the Unian Raam and were attended by almost the entire student bady. The-autstanding Cancert was played by Andy Andersan's Graup, o papular quartet fram the Tanga Raam in Victoria.

The sale of the very smart Jazz pins were tripled this year. The executive would like to thank the student body far this suppart.

The Saciety also ca-spansared the Blue Raam Dance, one af the best dances af the year. The club appreciated the tremendaus reception given to the dance by the students.

The executive would like to thank Mr. Burchill for his canstant assistance and ca-aperation in making this year a success for the Jazz Saciety.

PRE-MED

Left to right — Ron MacKenzie, Tim Lee, Cordell Newby, Jo-Ann Crawford, Frances Rigby, Barrie Worthington, Roseann Millin.

PRE-MED CLUB

A series of Films and speakers served to enlighten the twenty-six Pre-med members on various branches of medicine. A tour of the two Victoria hospitols gave a point of comparison for the lectures and the Films.

The Films included were, one on public health, one on nursing, ane on the effects of the atomic bomb, and one on Cancer. It is hoped that before the end of the year the club will be able to show a film on Venereal Diseases and another on Heart Disease.

The guest speakers included, Dr. R. Nixon, who discussed medical training and interneship; Dr. Colhrane wha gave an outline of the opportunities in medicine, and Dr. Alcon who discussed the different treatments employed in psychiatry.

The officers of the club were: Ron MacKenzie, president; Cordell Newby, vice-president; Diana Stavrakov, secretary, and Roseann Millin, first year representative. Mr. Fields and Mr. Fontaine were the co-sponsors.

THE SCIENCE CLUB

The Science Club enjoyed a good popularity with on octive membership of obout 20 students. Many interesting topics in Physics, Chemistry and Biology were included in the noon-sessions.

During the year the Club had Mr. McBratney of the Department of Mines speaking on and showing a film about crystal structure. Dr. Dadson af the Federal Meteorological Service spoke on jab apportunities in that field and Mr. Peach of the Standard Oil spoke on the oil industry. Interesting talks were also given by Dr. Carl of the Museum and Mr. W. Mackie, the weatherman.

Besides the speakers numerous field trips were taken. Dr. Petrie showed a group around the Dominion Observatory. Other tours taken, were the Pacific Naval Lab., and the the Department of Mines Lab. The Club also sponsored two Moody Institute Bible Films with the I.V.C.F.

The executive was Terry Robertson, Jerry Devine and Dove Gilbert with Mr. Climenhoga, as sponsor.

Inter-Varsity Christian Fellowship

The I.V.C.F., a group of students whose aim is "to know Christ and to make Him known," has been a very active club this year. Mast af the twenty-faur members taak part in a Bible study each Wednesday and an autstanding speaker was spansared by the graup virtually every Friday naan haur af the Callege year.

The autstanding guest speakers spansored by the club included Dr. Rawell, Dr. D. Guant, Mr. R. Burns, and Dr. V. Taylar. To hear these interesting men aften as many as thirtyfive students turned out. The members, with the Science Club, showed two Moody Institute of Science films, "Vaice of the Deep," and "God of the Atam." The club also conducted various social activities such as the Frash Reception at the beginning of the fall term, and, in the past-Christams term, a Chinese dinner. The effort put into the activities of this club has praven exceedingly rewarding to all cancerned.

President Peter Faggin was assisted by Gearge Pearce, vice-president, and Jaan Messer, secretary-treasurer. Same of the leaders of various cammittees were Pat Perry (where da yau think all thase beautiful pasters came fram?), Rasemary Bradley and Miriam Saddler. The club appreciated greatly the advice and spansarship of Mr. Climenhaga.

THE S.C.M.

The S.C.M. has carried an throughout the year with small graups at its meetings, but in spite af the small numbers, it can be cansidered a successful year. Thase who have attended have participated in stimulating cantraversial discussions. Each persan has had a chance ta express his apinians and hear thase af athers. The S.C.M.'s big event af the year was the visit af Dr. Flessmand, the Dutch schalar and thealagian. Other impartant speakers were Willard Ireland, Jahn Buchanan, and Bab Miller. After Christmas a baak study an ''mere Christianity" by C. P. Lewis was led by Miss Saddlemyre. The discussian was very active. Same af the mare active debaters were Brian Sulsbury, Denny Atkinson and Jae Haegert. Other active members were Pat Dailey, Marilyn Palmer and Bab King. The club was presided over by Denny Atkinsan and sponsared by Mr. Elliatt.

FORUM

This year's Callege Farum had a three-fald pragramme. First, it tried to faster interest in politics by a series of political speeches and by a visit to the legislature. Three local M.L.A.'s, Mr. Strachan, Mr. Martin and Mr. Gregary were invited to address the student body an behalf of their respective parties, the C.C.F., Sacial Credit, and Liberal. Representing the Conservative party was a Maritime M.P., Mr. Tam Bell. Second, a series of debates was arganized an topics of current interest such as the Suez issue and Alcahal for 18 year alds. Finally, the Club tried to improve the speaking ability of its members by a series of lectures from the Taastmaster's Club, and by practice sessions. This pragramme ended with a public speaking cantest.

President of the Farum was David Andersan. Far Vicepresident the Club elected Mr. Tany Gargrave, whase experience as an M.L.A. made him a very valuable member. The Secretary was Barbara Clarke, and the publicity manager (missing from the picture) was Tam English.

CHESS CLUB

Spansor: Mr. Cross; President: Tim Lee; Vice-President: Murray McIntyre.

Althaugh this Club has anly been started this year at the campus it has praved to be a very successful arganizatian. Through the fees collected from the twenty-ane ariginal members and the financial aid from the Students' Council this Club was able to purchase nine chess sets. Furthermore, because af their enthusiasm in chess, thirty other members have actively participated in this Club. With regard to success, special mention should be made to Murray McIntyre who played the rales as vice-president, secretary and treasurer.

In matches with Oak Bay High the Club came up with a draw (4-4) and a win (5-2). Against Lansdawne Juniar High, Callege scared a camplete victory (8-0). Hawever, in the simultaneaus 11-games match with Mr. Crass the Club last (9-2).

The Club is laaking farward to more matches. This club's future is certainly very pramising.

PUBSTERS

Artists Val Rasenthol, Jill Denny, Borb Geddes, Dot Hunt and Diana Stavrakav earned the thanks of every college club by their efforts in publicising College activities. Spending much of their "free" time in the "Pub", these girls turned aut posters—"guaronteed to stap the eye, of the passerby."

CAMERA CLUB

Since Frash day, the click of many little shutters ond the flash of many small flashbulbs have been heard and seen at all callege functions this year.

Thanks ta Mr. Clark's and Mr. Climenhoga's able ossistonce, the camera club was able to set up a darkroom in one carner of the physics lab far the use of its members ond also for the instruction of those who wanted to learn.

The camera club had the pleasure of taking pictures of the Campus Queen cantestants and of the caranation ceremanies during the Wugs' dance.

During the year, the club learned many tricks of the trade fram very informative talks given by Mr. Savannoh and Mr. Clark.

At the beginning of the year, Ranald Werthner was elected President, James Buchan, Vice-president, and Jaqueline Butt, Secretary-Treasurer. The club was obly represented on the staff this year by Mr. Sovonnoh.

CAMERA CLUB

Donna Wallace, Jim Buchan, Ron Worthner, Diane Whitehead, Bob Stuart, Jackie Butt, George Lynn, Cordell Newby, Mr. Savannah.

The Glee Club under the direction of Mr. Gaddes.

GLEE CLUB

As always has been and probably ever will be, the first meeting of the College Glee Club in 1956 was predominately female. This lack of a comparable number of male members was something to sing "The Blues" about. Nevertheless, later on in the year male attendance did improve. Such was the drive for male singers that two tenors of the Faculty joined in.

The Glee Club certainly tried hard this year to provide enjoyment for its members through a variety of numbers from the Classic to the Folk Song. The main event for which the club prepared was participation in the Spring Concert. This was a gratifying experience and a fine opportunity for the Glee Club to help represent College talent.

The sponsor of and conductor for the Club, Mr. D. B. Gaddes, deserves a vote of thanks for his kind and thoughtful direction during the entire year. Executive members for the Club were: Lawrence Kitching, president; Marilyn Cann, vice-president; and Joyce Whitehead, secretary.

In closing, the members extend the hope that next year interest will be maintained and attendance bettered in this—your College Glee Club.

THE SQUARE DANCE CLUB

The Square Dance Club this year was the most successful since its beginning. Attendance and enthusiasm were at an all time high, making the weekly Monday noon meetings very enjoyable and very worthwhile. Many new round-dances, mixers and square dances were learned. Many of the square-dances were called by Paul Phillips, occasionally helped by Tony. Churchill, much to the delight of the dancers.

The main project of the Club was the Jamboree held on February 16. The fact that it was highly successful, was made obvious by the many smiling faces and the enthusiasm of those who attended.

The officers elected for the 1956-57 session were: Guy Roberts, president; Lorno Mulholland, secretary; and Geoffrey Horner, vice-president.

SQUARE DANCE CLUB EXECUTIVE Left to right — Lorna Mulholland, Geoff Horner, Guy Roberts.

INTERNATIONAL RELATIONS CLUB Left to right—Tim Lee, Barb Jenkins, Joanne Dawson, Lorne Bolton.

INTERNATIONAL RELATIONS CLUB

Agoin the International Relations Club proved to be one of the most active clubs on the campus. This year's executive consisted of: Barbara Jenkins, president; Corole Mills, vice-president; Joanne Dawson, secretary; and Staff Sponsor, Mr. Sidney Pettit.

Throughout the year the club has been favored with several very interesting and well informed speakers. Among them have been: Dr. Roger Manning, who spoke on the "The Middle East," Mrs. B. C. Hale, on "Blazing a Tourist Trail in Hong Kong," and Mr. Ford about the "United Nations." The club was pleased to have three of our fellow students speak of their experiences: Dick Trippe spoke on his travels in Korea and Japan; Barbaro Clarke and Tim Lee. Especially memorable was Mr. W. T. Straith, former Minister of Education, occomponied by his slides with on interesting narration of Portugal, Spoin and North Africo.

Important to the club wos the project they successfully fulfilled. Highlighting the year was the Model U.N. Assembly to which our four representatives—Barbara Clarke and Barbara Wolloce who presented Lebanon's views, and Barbara Jenkins and Tim Lee who presented Japan's view's. Also, an honour to the club was Lorne Bolton's election to act as Secretary-Generol for the Assembly. Then too, the club sponsored a poster contest to advertise this event.

College Representatives from the club also helped to pave the way for a greater union among School UN clubs by helping to form the Inter-High Club of Victoria. Moreover we entertained the U.B.C. foreign students on the March 1-2 week-end. Important to note is the fact that we were the first IRC club to sell U.N.E.S.C.O. Xmas cards.

The IRC members hope succeeding years will build on the foundation this club has already laid and wish them the best in the future.

WILBERT AT COLLEGE

Naw Wilbert the 'aly young terror His Pa sent him aut to the West. He 'aped he'd be shot by a cawbay, "At least," he said, "we'll do our best."

So Bert fallowed the birds to Victoria, A mild little town ere he came, But the mament he hit the dockyards Wilbert established a name.

He shattered the town of Victoria, They lacked City Hall when he came Far ahead of dear Wilbert had travelled. His not inconsiderable game.

They gave him a pen in the backwaods Ta try to keep Bert out of harm With emergency squads at the ready. And a bleeding, great gang as alarm.

And for years now our sainted? friend Wilbert Na really great damage had did. Sa his father biennually handed To Victoria tawn—900 quid.

'Twas for maintenance, education and upkeep All af which was provided. But now the question arose with council As to exactly how.

Wilbert was to be sent to the college For clearly great damage he'd do Cammit murder, and mayhem, and pillage And passibly arson too. Naw the cauncellors all thought it over Till ane day Mayor patted his brisket And allawed (as it was in the contract) That they'd just have to send'm and risk it.

Naw Bert was a success at the College (His ideas being congruent with ours) As ta haw to get out of it quickly. With practically no lecture hours.

Although it delighted the students
The prafessars said it was a disgrace
He'd dane a scientific? experiment—
Of the lab there was left no trace.

Till ane day the S.C. got tagether, Sent a cable ta Wilbert's dear Pa. Invited him here to the callege to subdue Bert, 'Fare he started a war!!!

Bert's father laoked 'raund at Bert's mather, Said hang the cansequences? this must be dane— I na langer give a hoat for the neighbours— I'm gaing ta ail up my gun.

That night Bert's father staad by the tambstone. As the wind whirled shrill 'round the grave. And thaught he heard Bert's ghastly laugh Tarmenting the sauls of the saved?

Next day Bert appeared at the callete, With a nate signed by Lucifeer, Saying "Wilbert, your san, please keep him, He's ruined the place down here."

So now all the guys at the callege Have a wanderaus stary ta tell, 'Baut ane af their glariaus number Who couldn't be kept in h—, the ather place.

NONSENSE RHYMES

"The day has come," said Sammy Smythe, The Mayar of Fiddlethurds When we must go out to our Fields, And count the Lady birds.

So donning of his check plus fours And golf cap stick and boots He went baldly down the village street Amid the children's hoots.

He mounted on the rostrum large And soon the crowd arrived, And plunging on with heaps of word Into his speech he dived.

The day has dawned he said ogain To move out beetle herds, From meadows into pasture While we count the lady burds.

For t'is o most important job As many are aware 'Cause if we do not count them They'll soon be in our hair.

As he would thus ejaculate He felt a little twitch. And crossing his eyes to his nose he saw A lodybird on his snitch.

He grabbed a beam and gave a slash And broke his nose in half And away went the ladybird on the breeze To bother a new born calf.

"Do you see what I mean" roored Sammy Smythe With his nose held in his hond, And he cut such a comical figure That they brought out the village band.

At this poor Sammy got quite wild And ranted round the town, Until he had ten stalwart bays To beat the ladybirds down.

Out they sailed into the fields With brooms and hockey sticks And they only stopped to count those That hid beneath the bricks.

THE RACE

The race commenced, the mighty army charged, And fast o'ertook the weak, the lax, the slow. With spee, ignoring all, they onward barged, A friend betrayed, or trampled on a foe.

For friends were lost and enemies were made, The morals of this mass descend so low, As cause the faithful heart, the seige, the staid. To weep embittered teors at mankind's woe.

No trick is missed, no sneaky scheme untried, Self-love is first and greed the fault of all The prize is dear, in struggle some have died, The strong must win. Alas, the weak must fall.

A sad bewildered student and looks On borren shelves stripped clean of essay books

An Illusioned Student. Moral: All is fair in love, war, and getting essay books.

TO THE GIRLS

Here's to the girls—the young ones!
Not too young
For the good die young
And nobody wants o dead one!

Here's to the girls—the old ones!
Not too old
For the old dye too
And nobody wants a dyed one!

JULIE PROCKTER.

The sun was dropping 'neath the hill When Sammy come to stop He'd lost a boot and then a sock But gallantly managed to hop.

His ponts were torn his hat askew His face was puffed and red. But with satisfaction in his heart He went off home to bed.

He'd done the deed, the deed was done, It was too much for words His whole life time'd ambition To count those lady birds.

BOWL FOR FUN AND HEALTH

LIFE WITH FATHER

My father, by conventional standards, is a normal, intelligent man. He is a fine electrician, a good banker, and tremendously successful at poker. However, despite these advantages, when put to the test on things that really count, father is an exceptional dullard. Now calling one's father a dullard is like biting the hand that is feeding you, but recalling some of father's past misdoings I can only sigh and repeat myself.

Last winter, mother and I began to complain to the man of the house, that we were beginning to see frost appear in the living room. Toking for granted it was the furnace, father proceeded to descend into the basement to give it "a good going over." Donning blankets mother and I waited in great agitation, while father, sounding like the London blitz, cleaned the stovepipes. On in the evening, we heard a crash louder than any previous, and mother no longer able to contain herself rushed headlong to the basement stairs, and yelled, "Good heavens, whatever ore you doing?" That was a mistake, for father never liked having his "fixings" questioned. A resounding "Damnation" floated up the stairway, and then o click. When father yelled too loud his upper plate always ployed dastardly tricks on him. The thing was father needed one badly. Needless to say we now have an oil burner. Father's ego just couldn't take looking at that furnace any more.

Father is what you might caption the salesman's paradise. He has absoluetly no resistance. Not so long ago he bought a series of books on **Famous Speeches** by famous Politicians. He brought them home one day, proud as a peacock, informing us as he walked in the door, that not only was he going to read the ten books, but that my mother, brother, sister, eight cousins, and I were, too. We groaned and he insisted. Reclining in his eosy chair that night he began to read the first book. Well, we all watched with much interest as father's head began to nod, and as the pages began to look immovable. Fother begon to look of the thing os if it were some serpent,

and finally he snorted, mumbled, and hid the book behind a large hoya plant. So far as I know it's still there, the rest of the family being afraid to move it, for fear it's there for some significant reason. The other nine goodies however, disappeared mysteriausly that same night. Whenever father sees a book salesman now, he takes off like a rocket and can't be found for hours.

Being a banker, father is ever conscious of numbers, especially the ones in his salary. He is always trying to enforce economy in our family and every so often he has o full scale drive for thriftiness. Mother and I can always see it coming, for he gets a harrassed look on his face, and his eyes start getting shifty as if he's received hamburger ond weiners for a few days, and seen mother and I go around like we're straight from lower Slobovia that he begins to let up on the lectures, and let down the purse strings. Not that father's tight, it's just that he feels he should practice his rights os the head of the house.

Fathers can be a very boring commodity at times, particularly when the subject is business. When you visit our table at dinner-time you hear nothing but debits, credits, checking accounts and numbskull girls. Some monologues can be interesting, some cannot. Monologues on banking ore mouldy before they begin.

Despite many faults father's a pretty good egg. There is one blight on his life however, that is the bottle of the bulge. Father looks down at his paunch as if it was his mortal enemy, and not part of his anatomy. In fact he gives it such withering glances, that I wonder why it doesn't take the hint and leave. Father just can't stick to Rye-Krisp and celery, however, so the bay window will probably stay forever.

Father, by all conventional standards, is a normal conventional man.

SPORTS COUNCIL

ATHLETIC COUNCIL

This year, for the first time in the history of Victorio College, an Athletic Council was elected.

The duties of the Council were to direct and maintain the various sports teams and clubs on the campus. Under the excellent direction of Mr. H. E. Farquhar, co-ordinator of athletics, it proved to be a terrific success, and will definitely be continued next year.

Before Christmas, the chairmon was Stew Smith, and Sue Burnett, director of women's othletics, was vice-chairman. After Stew's election to the school presidency, however, Sue was elected the new chairman, and Tom English, newly elected director of men's athletics, took over the vice-chairmanship.

Other office holders on the council were Donna Finch, who did an excellent job as secretary, Robin Farquhor, publicity director, and Tom English, director of minor sports.

Members of the council and the organizations that elected them were: Robin Forquhar, rugby; Tom English, men's basketboll; Donna Finch, women's basketball; Pam Bingham, grass hockey; Doug Stewart, soccer; Bill McColl, badminton; Don Bosnich, curling; and Den Atknison (later Bill Gosling), bowling.

CHEER LEADERS

The 1956-57 season was a successful one for the Victoria College Cheer Leaders. A group of energetic girls got together in October, chose a leader and began practicing. Practices were held once a week. The six girls were granted 2 dollars each by the Students Council from which they bought material for their skirts. In addition to their skirts they wore white blouses, college sweaters, ploid ties, white socks and saddle oxfords.

The girls were on hand at all the Viking games to cheer their team on to victory. It is hoped that the cheer leaders will continue in future years.

VIKINGS—BASKETBALL

History was made this year when our Vikings became the Western Canadian Junior Men's basketball champians. It was the first time such a feat has been accamplished by a Victoria Callege team.

The strongest basketball team ever to play under the Callege name, Vikings capped off a star-studded season with a trip across most of the continent, reversing their engines at Toranto ofter losing the first three games of the best-of-five series for the Canadian title.

Taking three weeks off school in March, Vikings left Victoria accampanied by caach Bill Garner, sponsar Mr. Fred Martens, and their baoks. They made staps in Lethbridge to beat the Juniar Chinaaks in two straight games, in Saskataan to beat the Celtics in the final two games of the best-af-three series, and in Winnipeg to down the Imperials in three straight games of the best-af-five series after dropping the first to the highly rated Manitabans.

At this point, however, Vikings' luck changed. They faund themselves faced with a team of giants, the Taronto YMHA Whites. The Whites had na trauble in taking the apener by an 81-57 scare. They had a little trauble in the second game, hawever, as they squeaked through with a 12-paint win, 78-66. In the third game, the Tarontonians left na daubt in the minds of the fans as they topped the Vikings by 25 points after being only three paints up at the half. The final scare was 85-60.

Other outstanding Viking victories during their brilliant season were scored aver West Vancauver Ex-Hi's far the B.C. championship, Alberni Juniar Men far the Island title, Chemainus far the Lower Island laurels, and Chinese Students far the city cup. The Callege hoapsters also won the Inter Scholastic taurnament by dawning the spunky Royal Roads unit in the finals. Tam English, captain of the Callegians wan the Most Valuable Player award, and Bab Tamlinsan and Ed Kowalyk alsa placed an the all-star team.

A great deal of the credit goes to Bill Garner who gave unselfishly of his time throughout the entire season. Bill accomplished what no other College coach has been able to do: he produced a team of true basketball champions.

GIRLS' BASKETBALL—VIKETTES

The year 1957 at Victoria Callege may well be remembered as "Basketball Year" and the Wamen's team added in na small measure to the success of this spart. This year the Vikettes came up with a new team name and new team calars—green and gald. Even mare important is the fact that they came up with same big wins this year, shawing a much impraved brand af play over anything we've seen in the past few years.

The combination of seasoned players from the interior with the hamegrawn Victoria girls proved too much for every team the Vikettes tockled. Winning handily over all city high school teams in early play, the girls turned to cammercial Junior and Senior campetition. Victoria Senior B proved to be the years only stumbling black, but it was a case of third time lucky as the Vikettes eventually came up with a decisive win. On February 23 the girl's travelled to U.B.C. where they whipped the Juniors 37-19. Vikettes also pasted a victory over Victoria Meteors, Island Junior Champs, in an exhibition game.

These girls had speed, height and experience, and featured team-work with the accent an a fast break.

Far this team-work due credit must be given the coaches Bud Rutherfard and Mrs. Middletan. Perhaps the caaches biggest cantribution was the feeling af "esprit de care"—that's Spanish far "let's kill them gang".

Several of the team members will be back next year. Watch them! We may have a potential Provincial Champianship team here.

NORSEMEN BASKETBALL

This year, the Narsemen were caached by Mr. Fred Martens, and they enjayed a long, successful season.

Starting aff by playing mast of the local high school teams, Norsemen defeated Mount Dauglas and Esquimalt, and in turn were beaten by Maunt View and Oak Bay.

In other games during the seasan, they demalished University School three times in as many games, beat aut Rayal Raads ance, and were defeated once by the Pedagagues, H.M.C.S. Naden, and Royal Raads.

All in all, the Narsemen wan one mare game than they last, and every member of the team was grateful for the chance to get out and have fun playing ball, win ar lose. For this chance, they wish to express their thanks to Mr. Martens.

Front row, left to right—Robin Farquhar, Rod Kirkham, City Cup, Doug Stewart, Paul Phillips.

Absent-Mr. Farguhar (Coach).

RUGBY

This year, as was the case last year, the rugby team played in the city's Secand Division with a number of exhibition games against First Division teams and local high schools.

Under the expert guidance of experienced coach Mr. Hugh Farquhar, the ruggers won two cups and made a trip to Vancouver.

The first cup that faund its way to the Callege traphy case was the Kiwanis Cup, which was wan in a twa-game tatal-paint series with Victoria High Schaal. The Vikings wan the first game 14-6 and built up their lead to 23 paints by taking the second game 18-3.

The ather rugby traphy that became Callege praperty again this year was the city's Secand Divisian champianship cup. It was wan near the end of the seasan when the Vikings dawned a team, which was made up of the "all-star" players fram all over the lawer Island, by a 14-6 scare.

Other Callege wins were scared at the expense of Vic High twice, Oak Bay High twice, Shawnigan Lake ance, and Navy ance. Very clase games were last by narrow margins ta University School, Oak Bay Wanderers, James Bay and Shawnigan Lake.

Games last by larger margins went to U.B.C. and the Oak Bay Wanderers.

Captain of the team this year was Stew Smith and Rabin Farquhar was the Athletic Cauncil rep. Bab McKee was vice-captain.

The main reason that the team was so successful was the exemplary team spirit that prevailed at all times, both on the field and aff.

SOCCER

Under the capable caaching af Mr. N. A. Swainsan, the saccer squad had a very successful year.

In exhibitian play, they last the apener to Vic High

In exhibition play, they last the apener to Vic High 6-2, but bounded back to down Mount View High 4-0 and Oak Bay High 4-2.

Callege entered regular play in the Inter-Callegiate circuit which cansisted af faur teams: Pacific Naval Labarataries, H.M.C.S. Venture, Rayal Raads and Victoria Callege.

In league play, the Callegians last twice, ance ta P.N.L., 2-1, and ance ta Venture by the same scare. They tied ane game with P.N.L., 1-1.

Hawever, they came through with their share of wins, edging Venture, 4-3, and defeating Rayal Raads, 3-1.

Team members were: Mr. Swainsan (caach), Bud Shipley (captain), Daug Stewart (sparts rep.), Graham Ellistan (manager), Fred Middletan, Bill Sandersan, J. Chapman, Pete Bausfield, Jahn Elliatt, Sandy Grahame, Dave McCliman, Bill Matkin, Dave Allen, Carl Chalk, Mike Gerry, and Glen Di Georgia.

Bottom - Mary Hjorth, Georgina Metcalfe, Nan Lynn, Ann Beggs, Phyllis Reid, Joyce La Rose.

CURLING

Curling, this year, hos been o huge success. Controry to post years, there has been a large attendance and an ever increosing enthusiosm. For o smoll fee students enjoyed the privileges of Victorio Curling Club for the entire yeor. There is o presumption that college professors and instructors are unwilling to enter into student octivities but the curling club hos proven this folse. The club was enthusiastically sponsored by Mr. Loft.

As this orticle goes to press before ployoffs will be held for curling it is impossible to declore the winning rink. The two rinks that will ploy off for the curling trophy will be Bob Meredith's ond Woyne Ferrey's.

BOWLING

Every Thursdoy night, throughout the year, o lorge group of Vic College students gothered at Gibson's Bowlodrome to enjoy on evening of bowling.

For mony, this hos provided on opportunity to intermingle and become better ocquainted with fellow students. For others, it provided two pleosont hours of enjoyment and reloxotion.

Top high scoring boy wos Denny Atkinson, followed up closely by Cliff Horwood. Dophyne Chon, with her excellent style of bowling led the girls while Helen Bell come second.

Hord working executive members were: Denny Atkinson, president; Buddy Rutherford, vice-president; Myro Johnson, secretory; Borb Jenkins, treosurer; and Bill Gosling, first year

WOMEN'S GRASS HOCKEY

Although nat perfect in the win department, the Girls' Grass Hackey lacked little in enthusiasm ond team spirit.

Prior to the Bridgmon Cup Tourney, the girls wan games against Oak Bay and St. Margarets, but last when they travelled to Duncan to play Queen Margarets.

In Bridgman Cup play, the team met the much impraved Narfalk Hause, St. Margarets, and Oak Bay teams. A 1-0 win aver Narfalk Hause, a 0-0 tie with St. Margarets, and a lass ta the Oak Bay High team, put Vic. Callege aut of reach af the caveted cup.

The team, caached by Miss Maureen Bray, included Sue Burnett, Pam Bingham, Alix Husband, Jill Denny, Margaret Duke, Signe Lang, Jay Butt, Narma Calvert, Barb Salanen, Janet Wallace, Barb Clarke, and Dot Hunt.

GIRLS' VOLLEYBALL

Vic Callege girls' praved to be top valley ball players in the Raund Robin Taurnament held at Lansdawne gymnasium. College, entering two teams, gained first and third positions, winning out over local high schools and U.B.C. teams.

The first team defeated the U.B.C. squad in a final battle emerging with an 18-17 edge. The secand team, clashing with U.B.C. in on earlier game put up a terrific fight but finally hod to accept defeat and settle for the third place position.

Thanks ga to caach, Miss Bray and ta the organisers af the tourney Danno Finch and Sue Burnett.

CROSS COUNTRY

Since September several of the team members hove been training regularly two or three times a week at Victoria High School, through the courtesy of VHS coach Gardon Hartley. Before Christmas, as only two runners, John Gilliland and Gordie Wilkie were available, College entered na races.

Since January, however, the team has been strengthened by the addition of John Green, Mal Potts, and Mike Kaye.

Captained by Gilliland, the team has competed in two races. In the first, against Victoria High and Esquimalt, College placed 2 (Wilkie), 5 (Gilliland), 8 (Green), 13 (Potts), and 18 (Kaye), to come second. On March 2, College captured second place in the annual provincial meet at Victoria High. Placing was 5 (Wilkie), 16 (Gilliland), 23 (Green), and 24 (Potts).

BADMINTON

Members of the College Badminton Club played at the Victoria Lawn Tennis and Badminton Club every Tuesday afternoon.

This year's sponsor was Miss Maureen Bray, Victoria Woman's Badminton Champion and runner-up in the B.C. championship.

The club was lead by president, Sue Butt; vice-president, Warren Bell; secretary, Pam Bingham; and Sports Council rep., Bill McColl.

The College Championships were held during January and February. In the men's singles Warren Bell emerged champion with a 15-3, 15-4 victory over Bill McColl. Bell was extended in an earlier round by Okanagan Junior Champion, Ross Cameron. Dark horse of the tourney was Jack Denny who reached the semis with two upsets then bowed out to Bill McColl.

In the Women's division Sue Butt scored a 11-7, 7-11, 11-7, victory over Pom Binghom to toke the title.

WATER POLO

A new addition to Callege sports this year was Water Pala. Every Manday night a graup of interested splashers invaded the Naden swimming paal far practices. The team was captained by Rich Yaung and Water Pala proved to be a rough and tumble but exciting sport. All involved enjoyed a good year. Next year it is haped that interest will be shown and Water Pala will become a regular callege sport.

SWIMMING

A small, strang graup of Callege swimmers splashed its way to third place in the 1956-57 High School Swim Gala at the Crystal Garden. Paint-getters for the Callege were: Rich Yaung, second, and Hamish Redford, third, in breaststrake; Al Smith, second in freestyle; and Wally Watson, third, in backstrake. Pete White, Al Smith, Hame Redford and Bab Pravan teamed up for a win in the relay.

In the girl's division Margaret Duke wan the freestyle, and Jill Denny placed third in Backstrake. Carlie Westinghause, Jill Denny Marg Duke, and Danna Finch captured the seniar relay event.

Shawing abundant school spirit, the enuthusiastic graup amassed 23 paints against the stranger high school teams.
